## **General Queries**

- Members of the student council are to meet with their class reps to get their suggestions for what the student council can do to help the students in the school.
- Cillian presented notes to the council that he took during the Comhairle na n'Óg online meeting.
- Parent-Teacher meetings were discussed and there is a need for information from the Department of Education about how the school should go about holding Parent-Teacher meetings.
- The need for more slots for the use of the school gym for students was discussed. Rob and Lucy are going to talk to Mr Aherne about this.
- New jerseys for school sports teams are being invested in. As well as a online store for students to buy school gear.
- The re-installment of the marquee walls was discussed. All the walls have to go up or none at all. We are unable to put some up and leave some down.
- The idea of a student council newsletter was discussed and will be worked out, with the aim of having a paragraph for each year group with information specific to them.
- ISSU student cards were discussed and that they should be promoted more. A board might be set up to this as well to give information about apprenticeships for those who are interested.
