Message from Year Head

Hi all, it's time to take a deep breath after a busy and productive term. Mock results have now been returned. The class of 2025 have ordered their end of year tops. The graduation yearbook and Debs committee is in full swing not to mention mock orals and project work. It is very important to re-charge the batteries over Easter and to use the time away from school in a productive manner to get maximum benefit from a study and revision point of view before the big push towards the exams in June.

Have a lovely Easter.

Ger Keane - Year Head
