

# LC2 & LCA2 Easter Newsletter

## **Message from Year Head**

This has been a very busy term here in St. Caimin's. Our LC2 and LCA2 students completed their mock exams and learned so much from that experience. In addition to this they have been very busy preparing for their oral exams, completing project work and practicing for their task interviews. This work has been exhausting and the upcoming break is coming at a good time. Unlike the February mid-term, there are plenty of activities planned and plenty of study to do over the Easter. All students have revision and study to complete.

Your sons and daughters will need your encouragement and reassurance as they revise and prepare for the last term. Their remaining time with us here in St. Caimin's is short and we all need to work together to push to the end line.

I hope you enjoy your Easter break with family and friends and hopefully the Easter Bunny delivers eggs in abundance this year

Kind regards,

Siobhan

## **Oral Exams**

### **Orals**

All LC2 language students have now been informed of the times and dates of their oral exams and their practical exams. These will take place in the school over the Easter Break-Saturday 23rd to Wednesday 27th March. If a student is unsure of the date/time of their orals they can be found in the files section of our Sixth Year Team under Orals main.

It is important to plan on being in the school 15 minutes before their scheduled time in case the examiners are running ahead of schedule on a particular day. For anyone sitting the Irish oral they

will need to have their list of ten Sraith Pictiúr with them on the day of the exam to give to the examiner.

Students are also reminded to keep their Teams notifications on over the duration of the orals week as this is how the Exam Coordinator, Ms Byrne, will be making contact with them if there are any changes/important information relating to the exams.

The Irish oral accounts for 40% of the total mark and the French and German orals account for 25% of the total marks awarded. Best of luck to all students participating in the exams.

**Students are expected to wear their full school uniforms for these exams.**

## Senior Rugby

It gave us great pleasure to watch seventeen of our LC2 and LCA2 students head off to represent the school in senior rugby, helped along by a handful of LC1 players. While the school does not have a strong tradition in this code, the lads played their hearts out and displayed some fantastic talent. While their schools' rugby careers spanned only three matches, the impact it had on the lads was amazing, some representing the school for the first time following six years with us. Thank you to Mr Nolan, Mr McDermott and more importantly to the fine young men who stood shoulder to shoulder and fought to the bitter end against formidable opposition. We are very proud of your efforts.
